(a) Valuation only completed in 1844.

(b) The Return, No. 2, could not be given, as the Cess for 1845 was only partly levied under Valuation.

(c) The Valuation of the Barony of Kilmairie has not yet passed the adjourned meeting of the Committee of Appeal; but as few changes are expected, the County has been included in this Schedule.

*Note.*—If the first and second columns in the Barony Returns (Schedule No. 2) be added, the amounts will be found different from the Totals of the Counties as given in the corresponding columns in Schedule No. 1. These differences arise from the following circumstances:—In Schedule No. 1, the value of the exemptions is included, because the cost of the valuation is rated on the gross amount of the valuation of each county; in the Barony Returns the exemptions are excluded, as the per-centages on the Grand Jury Cess could be properly declared only on the taxable contents of each county.

29 March 1844.

Richard Griffiths.
